

WSWS Officer and Committee Report Annual Board Meeting – March 10, 2014

Office or Committee Name: WSWS Proceedings Editor

Officer or Chairperson Name: Bill McCloskey

Date of Preparation (include year): March 1, 2014

Committee Activities during the Year: The proceedings were compiled for the third time using the wssaabstract.com system to create most of the electronic Proceedings document. I think that the process is improving each year. It is my great hope that this year we can finally change the output of the Proceedings Report from wssaabstracts.com so that the abstract titles are not in all capital letters but rather appear as they do in the Program. My thanks to Drew for addressing this issue with David Krueger.

As per the Operating Guide, I sent out reminders to various appropriate committee chairs reminding them to submit their reports to me for inclusion in the Proceedings. I will put special emphasis on interacting with Andrew Kniss (Chair, Research Section) to help get all of the project discussion session summaries into this year's Proceedings.
