

2020 Annual Meeting – Maui, HI

Office or Committee Name: Member At Large (Private)

Officer or Chairperson Name: Ryan E. Rapp

Date of Preparation (include year): February 27, 2020

Activities during the year:

Activities increased as the annual meeting got closer, as the student liaison needed help identifying and reaching out to perspective professionals to sponsor students during student night out. I drafted and sent out a letter to all WSWS and WSSA attendees asking for their support in addition to providing direction to sign in an effort to ease the workload for our graduate student liaison.

The proposed project of helping with step by step directions in developing the program, to help the program chair, was never done as the joint meeting with WSSA decreased the need for that as there were effectively 2 program chairs.

Recommendations for Board Action:

I would consider adding responsibilities to the Member At Large positions to helping the program chair in the development of the program, if such help could be useful and increase the efficiency of building the program.

Budget Needs: None
